**GlobalTrack GPS LLC is an affiliate of Westlake Financial Services. SureDrive devices can only be added on Westlake deals. Offer available to dealers located in CA and NJ, have rating of C or higher and are located within the LoJack installation area. Customers with a FICO score of 550 or higher will be eligible to purchase a SureDrive device. By participating in this program, dealer agrees to return any incentive payment to Westlake if the sale is automatically cancelled for failure to have the product installed within 60 days from the date of sale. SureDrive can be added to contracts on the DealerCenter platform or by rehashing through DealerTrack or RouteOne.
